(It's 1942, and two of Hollywood's biggest divas have descended upon the luxurious Palm Beach Royale -- Mistaken identities, overblown egos, double entendres, and a lap dog named Mr. Boodles round out this hilarious riot of a love note to the classic farces of the 30s and 40s.)

Spring Musical

Beauty and the Beast

The classic story tells of Belle, a young woman in a provincial town, and the Beast, who is really a young prince trapped under the spell of an enchantress. If the Beast can learn to love and be loved, the curse will end and he will be transformed into his former self. But time is running out. If the Beast does not learn his lesson soon, he and his household will be doomed for all eternity.
