

August 4, 2011

Welcome to the 2011-2012 school year. It's going to be a great one! Here's a preliminary list of school supplies that I know we will need. There may be a few add-ons later, but these are the staples:

- 2 composition notebooks- (with speckled covers)
- 2 spiral bound notebooks
- 2 glue sticks
- 1 bottle of white glue
- 1 fiskars pointed tip scissors
- 1 package of pencils (especially great if they're pre-sharpened)
- 4 block erasers
- 2 packages of crayola markers- one thick, one thin
- 1 package of colored pencils
- 1 pencil sharpener
- 4 2-pocket folders
- 1 clipboard

The following items that would also be useful donations:

Expo dry erase markers (chisel tip)

Clorox wipes

Masking tape

Clear tape

Zip lock bags- gallon size

If you're really looking to splurge, I use a lot of the 2 prong fasteners. They have a back-side and a front that slips over (2 parts) for attaching paper in the writing folders. I usually get them at Office Max. They are costly but very effective!

I hope everyone enjoys the last few weeks of summer. I'm attending a summer science in-service and a training to learn how to use the new promethium board that was installed over the summer. I'm hopeful that both of these will add to our already awesome learning environment! I look forward to seeing you all soon!

Sincerely,
Jane Spicer
