

Room 216 News

Welcome Families,

Room 216 is off to a terrific start! They are wonderful students and have made my job a delight. My name is Felicity and I have been at Barton for 20 years. My husband and I live on a farm north of Forest Lake. I raise horses, chickens and cats. I spent the summer playing with my 2 new babies, Wrigley and Hope. They are 3 months old and a lot of fun.

Supplies

If you have not had a chance to get supplies for the classroom, it's not too late.

We are especially looking for Kleenex and pencils. We are also asking for a donation of \$25 per student. This donation is used to pay for the Writing Without Tears workbook and a Social Studies magazine, which each student will receive and keep.

Homework

I will send home a Reading Log on Tuesday. Homework this year will be to reading every AND keep track of this reading all year. Reading Logs will be turned in each week.

Friday Popcorn

Room 216 makes and sells popcorn to the rest of the school on Fridays, twice a month. The money we raise is donated to charities the students pick at the end of the year. WE NEED a parent or two to help us with this service - learning project. Please let me know if you are interested in helping.
