

Friday letter 3/9/12

Dear mom and dad

This week Junior Achievement came to our class. We studied "our city". We put together a building. I got a gas station. So what we did is there were spaces like business, industrial, multi purpose, farming and residential. My gas station was in multi purpose. We played soccer.

In gym Tanner got a yellow card because his shoe came flying off. Lucky it didn't hit anybody. A couple minutes later Andrew's shoe came flying off. It hit the backboard and when it came down it hit Tiegan in the head. Andrew got a red card and couldn't play for the rest of the day.

On Saturday at one o'clock the Iditarod started.

we picked mushers. I picked  
Josh Cadzow. he's in  
22 place.

Love Ethan
