

Dear Families,

The Barton Student Council has designated Friday, October 30th as **COSTUME DAY**. Students may wear their costumes to school but should bring a change of clothes for recess and the remainder of the day.

In addition, Rooms 106, 116, 118 & 120 are planning a **COSTUME PARTY** for the morning. The party will be from 8:00-9:30. We are looking for volunteers to help with the party. If you would like to help, please let your classroom teacher know *as soon as possible*.

Also, we would love to use two large tents. We are planning an electricity experiment as one of the stations. We thought it would be fun to conduct these experiments in a tent. The tent would need to be big enough for a couple of adults and about 10 kids to sit inside in a circle. If you have such a tent, and are willing to let us use it (you would probably need to come to school to set it up and take it down), please let us know.

Thanks,
Rebekah, Patrice, Julie & Jane

Teenager

If possible...

Please send in small prizes for games and stations. For example: rings, pencils, tattoos.
