

Friday

Letter

Dear mom,

Swimming

Today is the last day for the seas but I had a fun week. I floated on noodles, jumped up and down, and I was always the third girl out of the locker room. Plus every time we went to the Walsdale Ymca I saw a neighborhood.

Math

In math we have started a unit unit 2 is about data and graphics and today Mark said we'll be doing "hands on algebra".

Art

In art we are working on Peter Glier. Soon I will come home and you will be able to see it, sorry we need to go <sup>shopping</sup>.

Love you

Kawson
