

Friday letter 5-11-12

Dear mom

We are doing power point on the computers for media. We are using Power Point for a slide show. We're making a human body slide show. Every one is making a slide show on something on the human or in the human body. I am doing the stomach. I'm pretty sure I'm done, but no one has checked my work yet.

our class and Felicity's class are joining together and we're talking about camping. yesterday she read a book to us about some people camping. It was a kinda dumb book but I still listened to it. She gave us these papers that we had to right what <sup>we</sup> would need for the camping trip or want. On wednesday we went to her class and we made a sheet

that said, 'cans and cans  
we would write - below cans what  
we could do at camping. Below  
cans we would write - things  
we couldn't do at camping.

love
