

Good Friday family 10/28/11

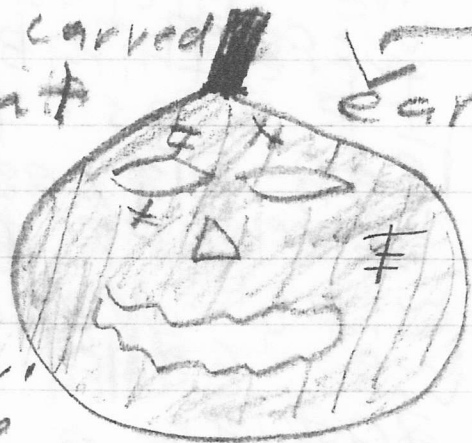

These few weeks we...
Went to Wild River
State park. At Wild River
We picked seed. The seeds
were Thimble-weed seeds.
It was fun. Me, Priya and
lean played a game where
we were pioneers crossed
with Native Americans because
we called our home a tribe
and we were picking
cotton for clothes.

It's the costume party
today and a lot of people
are dressed up as wizards
from Harry Potter. Loko is
Maid Marian and Priya
is a science experiment
gone wrong. Livy is a
Cleopatra and Lily is a
zombie. I love costume day!

Yesterday we did
pumpkin math. Our pumpkin
weighed 10 ~ pounds. →

11/25/10
It had 505 seeds. Last year ours won with 702 seeds. We carved our pumpkin like this. There's one carved with pop out ears!

We went to the ordway. We saw the Luna dance group. It was cool. We had a little trouble seeing but we could see O.K.
