

2/10/12

Dear Mommy and Daddy,
These few school weeks we have
been... WAIT! I'm being so
impolite! How are you? What
have you been doing?

ok... Now we'll get back
to my day.

In school I have been doing
this thing in media. It's where
you gather information and
then you put the information in
a power point presentation. And we
get to show it on the T.V.
down stairs! We do them on
States I am doing mine on
New Mexico. Just today I finished
gathering information and I'm
on power point.

We saw a play on Amilia Earheart.
It was a one person
play. She had to dress through her childhood
and up the ages. It told about her life
and every thing

→ that
way please

This part
is for daddy.

Part 2!

We went to the physics force. There were a lot of AW Some experiments. The people that were the best people are Hank, Fred, Mariza, and Cindy. Hank sat on a bed of nails and it did nothing to him! Cindy had a little cart and she took the fire extinguisher and shot it and went across the stage!

We took the M.A.P test (Math test.) There are 52 (fiftytwo) questions to answer. I hope I did good! Every one finished that day (except for Kawsar because she was sick.)

love Maizy
