

Kindergarten Room 110
Newsletter 3.20.2015

Greetings,

In folders this week you will find St. Patrick's Day math, reading and art activities that were completed in class. We had a great week celebrating this fun holiday and trying to catch a leprechaun!

The Kindergarten Team is requesting \$5 per student to cover the cost of materials for our end of the year Portfolios. Please see the attached letter on green paper. Please send in this money as soon as possible.

Our poetry unit began and students were taught that poet's look at objects with, "poet's eyes!" Ask them about the fancy glasses we used to teach this!

The deadline to sign up for **Student Author Night** is fast approaching. Please let us know if you would like to participate!

The school will be celebrating **Spirit Week** next week, March 23-26. Your son/daughter is welcome to dress up and participate:

Monday - Pajama Day

Tuesday - Twins Day (find a friend and dress alike)

Wednesday - Get Up and Dance Day (no special dress up this day, we go to the Commons and dance!)

Thursday - Crazy Hair Day

Friday - No School!

Plant Sale information will be coming home today. We had an all school morning meeting to kick this off today. This is our annual fundraiser at Barton! We hope you can participate.
