8 more good words to know from your magazine

1. bruise
2. epidermis
3. adaptation
4. ouch
5. pain
6. bleed
7. sweat
8. blubber

All of these words are found in your "Dive In" National Geographic magazine this week. SEARCH for them as you read. Underline them when you notice them.

Work to do:

- A. Copy a sentence from the magazine that uses each word. Find them as you read. Underline the WW word in

ORANGE.

- B. Make a word sort chart in your notebook and fill in the words where they belong:

Starts with a - f	Starts with g - l	Starts with m - z

- C. Draw a spooky critter picture. Make a frame around it by practicing the spelling of each word twice. Color your picture.
